

Eat, Shop, Play this Christmas

East Suffolk Council 'Eat, Shop, play' campaign aims to reassure the people of East Suffolk that there are robust safety measures in place in our towns and encourage them to support local independent businesses.

At the time of writing COVID restrictions are in place across the UK, with new rules for everything from meeting friends to going to the shops. For the latest guidance <https://www.gov.uk/coronavirus>.

Local independent businesses have had a challenging year so why not take time this Christmas and support your local cafes and restaurants.

Looking forward to meeting up with friends and family? – why not treat them to a future weekend visit in one of our local independent hotels.

For information: Food hygiene standards can be viewed at <https://ratings.food.gov.uk/>

(Please note: This information has been taken from a variety of online sources and is work in progress. We apologise for any omissions or errors. Every effort has been made to include businesses in Felixstowe and Walton. Please let us know of any changes you would like made by emailing felixstowe.forward@eastsoffolk.gov.uk. Thank you.)
